Perspective LA College Promise Students
Can I still participate in LA College Promise?
YES! LA College Promise is still accepting students and all of the benefits of the program are still available to students.

How will I meet the requirements to complete orientation, ed planning and summer transition?
All requirements are able to be completed online. Once you complete an application for one of the LACCD colleges and complete the LA College Promise Interest Form (http://lacollegepromise.org/apply.html), the college will contact you with instructions on completing the online orientation, having a virtual appointment with a counselor to complete your education plan, and how to select your online summer transition program.

Will I receive financial benefits in Fall 2020?
YES! LA College Promise students are eligible for additional financial benefits for Fall 2020 such as emergency aid and assistance with food or supplies.

What if I don’t have a computer or internet access? Can I still be a LA College Promise student?
All incoming LA College Promise students can apply for a free laptop that is issued to students prior to the start of Fall 2020 classes.

Current LA College Promise Students
What happens if I need to drop my classes in Spring 2020 because of Covid-19?
If you need to drop any or all of your Spring 2020 classes because of Covid-19, you will not be penalized. If you are a current first year student, you will still be eligible for a second year of LA College Promise (you will still need to enroll full-time in Fall 2020 and complete your financial aid application in order to be a 2nd year LA College Promise student).

What happens if I end up with less than a 2.0 gpa after Spring 2020 because of Covid-19?
If you end up with less than a 2.0 gpa after Spring 2020, you will not be penalized. If you are a current first year student, you will still be eligible for a second year of LA College Promise (you will still need to enroll full-time in Fall 2020 and complete your financial aid application in order to be a 2nd year LA College Promise student).

If I have to drop all of my classes, can I get LA College Promise benefits in my third year?
Unfortunately, we are not able to extend LA College Promise into a third year at this time.

Can I get more financial aid if I (or my parents) lost my job?
You may be eligible for additional financial aid for the 2020-2021 academic year if your financial situation has changed since completing the 20-21 FAFSA or Dream Act application. Please contact your college financial aid office for more information.
