Dear {INSERT MAIL MERGE FIRST NAME}

***Congratulations, You're In!***

We are pleased to inform you of your admission to any of the nine, two-year colleges in the Los Angeles Community College District (LACCD). As a graduating high school senior from the Los Angeles Unified School District next June, your seat at any LACCD college is guaranteed for the Fall 2019 semester beginning on August 26, 2019. We are also thrilled to let you know you are eligible for the Los Angeles College Promise Program that ensures your tuition will be free for your first year.

LACCD is the largest, most comprehensive community college district in the country, offering guaranteed university transfer admissions and hundreds of degrees and certificates for workplace training or careers. You probably know us better by the names of our local colleges near you: East Los Angeles College, Los Angeles City College, Los Angeles Harbor College, Los Angeles Mission College, Los Angeles Pierce College, Los Angeles Southwest College, Los Angeles Valley College, Los Angeles Trade-Technical College and West Los Angeles College. Explore them all online at [www.lacolleges.net](http://www.lacolleges.net).

The Los Angeles College Promise Program provides a tuition scholarship for first-year, full-time students regardless of academic standing, income or immigration status. Los Angeles College Promise students are guaranteed priority registration for classes, dedicated academic counseling support and financial aid. This program is a collaboration between LACCD, L.A. Unified and the Mayor's Office. We all believe in you!

In today's world, getting a quality college education is vital to your future success in life. A college education means greater job choices, higher salaries and a better quality of life for you and your family.

Get started today with your LACCD college education. The attached page takes you through the initial steps to create an enrollment application in the California Community College system. Select one of the nine LACCD colleges as your first choice, fill out the Los Angeles College Promise online form and complete the federal or state financial aid application. We'll contact you after that, or, if you need help or have questions, our online contact information is at <http://www.lacollegepromise.org/contact.html>.

We know that going to college is a big step. Make the right choice by making LACCD your first choice and let us help you obtain the high quality and affordable higher education you deserve.
